

Kellie McCorvey

Administration, Planning and Logistics Corporate Risk

Kellie McCorvey is a Senior Vice President at Wells Fargo N.A., based in Charlotte, NC. She currently serves as lead of Administration, Planning and Logistics for the Enterprise Testing Team. Her responsibilities include strategy and communication, regulator commitments, Transformation, oversight and management routines, and interactions with the Board of Directors and regulatory agencies. She also leads business operations and business controls.

Prior to Wells Fargo Kellie was a Senior Vice President and Global Risk Executive at Bank of America, where her roles included: Chief Operations Officer for Enterprise Independent Testing Team and Operational Risk Management, Consumer Compliance Executive, Portfolio Management Executive for Retail Banking, Operations Manager for Global Corporate and Commercial Banking Client Services, and Compliance and Operational Risk Executive for the Global Delivery Center of Expertise and Supply Chain Management.

Before joining Bank of America in 2006, Kellie held various leadership roles within supply chain management, engineering, and global delivery organizations at Wells Fargo (previously Wachovia) Corporation and Celanese Corporation.

Kellie graduated magna cum laude with a BS in Chemical Engineering from Florida A&M University, earned an MBA with a Finance concentration from Auburn University, and is currently pursuing a Doctorate in Business Administration

from University of North Carolina at Charlotte. She is a Certified Regulatory Compliance Manager (CRCM) and a registered Professional Engineer (PE) in the state of North Carolina.

Kellie is married and has two adult daughters. She is involved with a number of civic and religious organizations and resides in Fort Mill, SC.
